**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't restrict consumer choices! I was overjoyed to have the option of going with Sonic and ditching my previous AT&T internet service. A better service, cheaper, less surprise items in my bills and a lot less half-true unsolicited calls with offers from AT&T.

Without access to UNE services, Sonic wouldn't have been able to connect consumers while they build their fiber networks, nor fund the construction of our fiber networks. And once fiber networks are built, UNEs are still used they connect from city to city and are the key backhaul for all of our fiber networks.

Please protect our access to broadband from local providers.

Regards,

Moira Willis
